

## Accessibility Questionnaire

In an effort to provide our disabled members with helpful and accurate information about the venue for the Law and Society Association Annual Meetings, LSA asks the host site to provide information about the access (and barriers) to persons with disabilities. LSA will make this information available to its members well in advance of our scheduled event.

If you have any questions about this request, please get in touch with Kris Monty at the LSA Executive Office, [monty@lawandsociety.org](mailto:monty@lawandsociety.org), tel. 801-581-3219. Thank you!
